Covid-19 Guidelines/Updates *UPDATED 1.6.21

SPECTATORS:

University of Washington Athletics previously announced that after close consultation with university, local and state public health officials, as well as Seattle's professional sports franchises, it will implement a vaccine verification system for all Husky ticketed events. **All spectators 12 and older will need to provide proof of vaccination** in order to purchase tickets for the event. Additionally, in accordance with state policy, **all spectators are required to wear a mask, indoors and outdoors, regardless of vaccination status** at all Husky athletics events.

(For all other info please see the Spectator/Admissions Info)

Ticket Office Hours will be released after the Schedule is updated. Please check back on our website

COMPETITORS

- **TEAMS:** Team athletic trainers must contact Eric Onishi at erico6@uw.edu to provide verification of their team's vaccination status. Teams must do this prior to Packet Pick Up.
- **Individual/Club/Pro/Unattached Entrants:** Individual entrants will need to provide proof of vaccination with his/her/their ID at packet pick up in order to receive their bib numbers and wristbands.
*please note that due to covid procedures, all individual athlete support staff, coaches will need to purchase a ticket at the Spectator Booth
